I didn't know how incredibly hard Cyrus' cock was. Almost like steel rod hard, with a nice curve to it. What else I didn't know is what a good pussy licker he was. I wasn't expecting him to go south for as long as he did. And then when we fucked, his cock was ready, and I loved getting fucked by it.

ON THE SCENE

THE SCRIPT DOCTOR

Life as I knew it was over.

Mom's nasty spill had seen to that. Now she had three pins in her hip, a walker, and a mountain of medical bills. And a son, that would be me, moving home to help her get along. Joe couldn't do it; my older brother's sales job required extensive travel. Also, he was a homeowner strapped with a mortgage.

All this to say that I was the logical choice to serve as mom's caregiver.

Understand, I didn't mind. Not at all. Mom and I were close. We got along just fine, always had. Helping a family member in their time of need was the right thing to do. Mom had done a lot for me, a whole hell of a lot, working a job she didn't like to help put me through school. I could never repay her for that, not entirely, but I could damn well try.

Starting tomorrow.

As for tonight—well, it was to be my last hurrah before the movers showed up in the morning and my life changed dramatically.

Cold beer in hand, I stood in the middle of my studio apartment and reminisced. If these walls could talk, I thought. Carboard boxes were stacked all over the place, each one taped and labeled. My work was done. The movers would handle the rest. I didn't envy them. Getting my sofa, to say nothing of the washer and dryer, down the stairs was going to be a real bitch.

Oh well, I thought, better them than me.

I sat on the sofa and took a hit of beer. Then I fired up my laptop—my wireless connection was scheduled to be terminated tomorrow—and went to my preferred escort site. It didn't take me long to find what I was looking for. Reyna was perfect, a cute redhead with long legs and a fantastic ass. Even better, she had a bright orange bush between her thighs. I hoped the picture was recent, hoped that beautiful thatch of hers hadn't been shaved off since the pic was taken.

Incall. Outcall. Car date. Sloppy BJ. Missionary. Doggy. Cowgirl. Reyna did it all. CALL ME, BABY, her ad read. YOU WON'T BE SORRY!!!!!

It took two beers before I could do it, before I could pick up my phone and dial the number. This was nothing new. It always took two beers, sometimes three. And I'm talking big beers, 16 oz. tallboys. Liquid courage, I suppose. Call me a pussy, but I just couldn't make a date with a pro unless I had a good buzz going. Still, I had to be careful. Too much beer and I couldn't get a hard-on. I had experienced that embarrassment before, parting with my hard-earned money just to sit there with a limp pecker.

Reyna didn't answer. I hung up. She was busy, I figured. A hottie like her had to be. Hell, she might even be booked for the night. Had I waited too late to call? I hoped not. I was just about to try again when my phone vibrated.

"Hello," I said.

"You called me."

A statement, not a question. I told Reyna that I liked her pics, told her that I was looking for an outcall. She asked me where I lived. I told her.

"It's two hundred," she said.

More than I had wanted to spend, but I didn't try to talk her down. She looked worth every penny.

"That's fine," I said.

"What do you do?"

"I'm a writer," I lied.

My full-time job at the library was as dull as they come, and I didn't want to bore her. She asked my age. I told her the truth about that.

"You white?"

"I am."

"I don't see black guys."

I took a hit of beer.

"You're not a cop, are you?"

"Definitely not."

Silence. Then Reyna said, "Text me your address; I'll be there in about thirty minutes . . ."

"Sounds good."

I texted her my address and drove to the nearest ATM, which happened to be at the same convenience store where I always bought my beer. The bills, ten twenties, were crisp. I considered buying some condoms, then promptly rejected this idea. I had yet to date an escort who didn't have a purse full of rubbers. Reyna was a pro; she would come prepared. I did, however, buy a pack of cinnamon sugarless gum.

No sooner had I returned to my car than the phone vibrated. Mom. Before her accident I would have thought nothing of disregarding the call. Those days were over. She could have fallen again. Sitting there in my car outside the store, a disturbing image slashed through my mind—Mom sprawled on the floor, her face twisted with pain, her cane just out of reach . . .

I took the call immediately.

"Mom, you okay?"

"Hey, honey."

I breathed a sigh of relief.

"How are you?" she asked.

"Good."

"All packed and ready to go?"

"I am."

"You must be tired."

"I'm okay. It wasn't so bad."

"I was worried about your back."

"It held up surprisingly well."

"I'm glad," she said. Then she asked me when the movers were coming.

"Nine," I told her.

"Have you eaten supper?"

"I had a sandwich."

"That's not enough."

"I wasn't all that hungry."

Phone pressed to my ear, I wheeled out of the parking lot. We said our goodbyes shortly before I got to my apartment. Once inside, I cracked open a fresh beer and took a pull. I told myself not to drink the whole can. Two tallboys was fine. I could still get hard with two. But three was pushing it.

Nurse it, I told myself. So that's what I did. I sat there on the sofa and nursed it until Reyna called and said she was on her way.

I went outside and waited on the steps. The apartment was a 4-plex, two units on the ground, two up top. I wasn't particularly worried about nosy neighbors; we all minded our own business around here. I sipped my beer, maintaining a nice buzz which tempered the anxiety associated with seeing a pro. I wasn't worried about cops; this was no sting operation, I reasoned. Stings went down at motels. Still, I was concerned about the possibility of a switcheroo. The Reyna on the phone might not be the same one in the ad. The Reyna on the phone might be a fat cow or a scrawny tweaker with thinning hair and a nasty case of meth mouth. It was a lot like ordering a pizza; one never knew what they were getting until they opened the box.

Interestingly enough, one of my neighbors had ordered a pizza. The delivery driver showed up moments before a black Mustang whipped into the parking lot. Reynam, I thought. She had probably sent me a text to announce her arrival. I couldn't be sure. My phone was inside. I stood, beer in hand, and eyed the Mustang; its windows had a dark tint, making it impossible to see inside.

The pizza guy made his delivery to a unit below, then hastened back to his car, which he had left running, hard rock blasting from the stereo. I tried to identify the song, tried and failed and forgot about it as the pizza guy sped away, the hard rock fading to nothing as a tall redhead slid out of the Mustang and I waved because it had to be Reyna.

"You made it," I said.

She wore a black party dress, one of those easy access jobs, and low top sneakers sans socks. The sneakers were white. They made her feet look big.

"I know this place," she said. "I drive by here all the time."

"Oh yeah?"

"Yeah."

I went on inside while she was climbing the steps, took a big swal-

low of beer and stowed the can in the fridge between a carton of milk and some leftover Chinese. I would have to clean out the fridge tomorrow; some of the stuff I could take to mom's, most of it would get tossed.

Reyna crossed the threshold, bringing the smell of marijuana with her. I didn't ask her if she wanted a drink. Pros don't drink, not while they're working, not if they're experienced and smart. I had stopped asking after my third or fourth time. The money was on the edge of the kitchen counter where she was sure to see it, where she could grab it first thing. She did. Then she counted the bills and put them in her purse and looked around.

"You just move in?"

"Moving out," I told her.

She placed her purse on the coffee table and sat on the sofa. Reyna didn't cross her legs. She left them lewdly open, the hem of her skirt riding high so that I could see her pink panties. I sat in a straight-backed chair on the other side of the table, sat there in the dirty clothes—old T-shirt and older shorts—I had worn to pack my stuff. It hadn't occurred to me, until now, to take a shower and change into something clean.

"Where you going?" Reyna asked.

"California," I told her. "Los Angeles."

"Wow."

"I got a job out there."

She didn't say anything.

"Script doctor," I said.

She nodded like she knew what that was. Maybe she did. Or maybe she knew I was full of shit and was just going along. I elaborated anyway, telling her that I polished screenplays.

Reyna smiled coyly. "Polish, huh?"

"You know," I said, "tighten dialogue and—"

"I want to polish your cock."

She got up, unshouldering the straps of her dress as she did so. I liked her small tits, liked her big dark brown areolae. She crossed the room. "Don't be shy. Get those shorts off."

I stood, shucked my shorts and underwear but left the T-shirt on. Then I sat down. Reyna crouched and took me in her mouth. She moaned and groaned around my cock. I sat there, my legs spread to accommodate her frenziedly pumping head.

Having gotten me nice and hard, she withdrew her mouth and stood before me. She reached under her dress and removed her panties; she did this before returning to the sofa. She sat there, the hem of her dress hiked high, a black band between her tits and pussy, and played with herself, for her pleasure and mine, moving her hand up and down.

Hers was a hairy cunt; not exactly like the pic, but hairy enough to not feel gypped. And she had left her shoes on. I liked that. I closed the gap. She stopped playing with herself long enough to produce a condom from her purse, ripping it open with her teeth. Towering above her, I proffered my stiff prick and admired her deft application of the rubber.

I quickly moved on top of her, skewered her. She lifted her knees. I thrust repeatedly, plunging and stabbing and jabbing. She moved with me.

"Yeah, baby! Fuck that pussy!"

Her words pushed me over the edge, prompting me to finish faster than I wanted to. I exploded, crying out crazily. Reyna turned her head to the side; she peered at my place, the boxes and secondhand furniture and stained carpet, as I shrank inside her.

In a few days the apartment would be somebody else's for a while, and I would be living with my eighty-year-old mother for the rest of her life.

Thanks to a killer body and an abundance of charm, Lulu is greeted warmly wherever she goes. But sometimes judgments are based solely on her looks. That's okay with her because when it comes to guys and sex, she loves getting her pussy pounded hard sending her over the top screaming and howling. Those sounds are amazing.

VERONICA

CAUGHT CHEATING ON CAMERA

He watched Veronica walk over and greet the man with a warm hug and a kiss on the cheek. She wore a sheer white robe over a lacy set of black lingerie that he bought her for their anniversary. Not even tied at the waist, her robe splayed open to reveal her voluptuous figure underneath.

Sitting in his office, Richard took a break from his work to glance at his second monitor. It displayed several angles from the security cameras at his home that he'd recently installed. All seemed well. A stray cat ran across his backyard, his wife lounged alone in the living room, and a car pulled up into his driveway.

Richard glanced at the time and reasoned with himself that it must just be a late food delivery that his wife, Veronica, ordered. He hadn't been making it home for dinner very often recently, so she'd been ordering out instead. Sipping on his coffee, he almost choked when a tall man in a tailored suit stepped out of the car. Calmly, the strange man stepped up to the front door and unlocked it with a key from his pocket.

How a man he'd never met held a key to his own home dumbfounded Richard. At another angle, he watched Veronica walk over and greet the man with a warm hug and a kiss on the cheek. She wore a sheer white robe over a lacy set of black lingerie that he bought her for their anniversary. Not even tied at the waist, her robe splayed open to reveal her voluptuous figure underneath. Long blonde hair in loose curls fell over her shoulders and covered her soft, large tits.

A surge of anger flashed through Richard. Watching his wife lead the man down the hallway and towards the living room, he knew what was about to happen. Veronica's hips swayed with each step, smiling every time she looked back at the stranger. It was only a stranger to Richard, however. Who's to say how many times she's met up with this man already.

On the screen, Richard watched his wife push the man down onto his leather recliner and crawl into his lap. She straddled him and his hands immediately went to her ass. Squeezing and groping her cheeks, the stranger looked right at home. Veronica pressed her hips down against the man's slacks, grinding against a probable hard on.

Hands clenched, Richard didn't know why he couldn't tear his eyes away from the hurtful sight. When she moved her hair to give a peek of her tits, his jaw tightened and another odd sensation began. A stir in his pants. Richard reasoned with himself, of course he'd get erect

CAUGHT CHEATING ON CAMERA

seeing his wife's breasts. But that wasn't all.

Veronica's manicured fingers slowly undid each button on the man's shirt. Taking her time to unveil his toned chest and muscle. Richard again felt his cock begin to harden when she tossed aside her robe and got down on her knees between the man's legs. She licked her lips and nimbly freed his hard cock. It wasn't even fully erect yet it was already bigger than Richard's.

Subconsciously, Richard's palm drifted down to feel himself. Without even looking away from his computer screen, he pulled out his cock and started stroking. Richard had never seen his wife this eager to suck dick. She licked up the shaft, keeping eye contact with the man, then wrapped her lips around the tip. Both of her hands were needed to pump his shaft.

One hand on top of the other, she twisted her wrists and bobbed her head down to take the rest. Alone in his office, Richard matched her pace. Stroking himself until he was leaking precum. Imagining the slurping sounds filling the room. Up and down, her blonde curls bounced as she took as much of his cock into her mouth as she could.

Before she could go too fast and make him cum, she pulled off his spit slicked cock and looked up at him. Lips red and cheeks flushed, Veronica grinned. She stood up and made a show of stepping out of her underwear. Even tossing her bra for the man to catch. He grinned and pulled her onto his lap, taking one of her nipples into his mouth. Veronica moaned and threw her head back. For the first time, she looked straight into the camera.

Seemingly unfazed, she reached down to guide him into her pussy while she straddled him. Mesmerized, Richard watched his wife sink down onto another man's cock. He could only imagine how wet she was to be able to take such a big dick in one smooth motion. Gripping her hips, the stranger held her in place while he thrust up into her. Heavy tits rippled with the force.

Veronica's arms came up to wrap around the man's neck, clinging to him while he pounded her pussy with all his strength. Looking up into the camera again, her mouth stayed open in what must have been the filthiest moan. Having given up on holding back, Richard stroked vigorously. Breathing heavy, he watched her ass bounce off his hips and come back for more. Looking straight at his wife's eyes through the monitor, Richard unleashed several ropes of thick, white cum onto his desk. White jets splattered onto his monitor, temporarily obscuring the scene of betrayal.

Mind reeling, Richard touched himself until the aftershocks made his cock too sensitive for more. Ashamed of himself, he rushed for a tissue to clean up his mess. Wiping off the cum from his screen, he got to witness the moment that the man's hips slowed down and stopped completely. He kept himself buried inside as he pumped a stream of cum inside her. One that would remain there while Richard slept beside his lovely wife that night.
